DSO 545: SQL Databases for Business Analysts
Google BigQuery Lab

Instructions:

- Go to: https://google.qwiklabs.com
- Sign in using your Gmail account (Your usc.edu account might work—not your Marshall email account)
- You are expected to finish the following tutorials (search for them in the qwiklabs):
    o Using BigQuery in the GCP Console
    o Exploring Your Ecommerce Dataset with SQL in Google BigQuery
    o Explore and create reports with Data Studio
